

Notification for a Term-off

I, _____ understand that a student enrolled at Elite Language Institute qualifies for a term off after taking the six months of _____ coursework. In addition, I agree to the E.L.I. policy regarding a “Term-off” as being part of my obligation to complete a full year course, which is compliant with a SEVIS code. After I return from the “Term-off”, I will continue as a student at ELI for another _____ months, thereby completing the full year requirement, which also consists with the date when I am able to transfer other SEVIS school. I would like to turn in this notification along with a pre-payment for the tuition of the following term as a token of assuring my return to E.L.I. in order to complete the remainder of the fiscal year. I wish to be off _____ from _____ to _____ (Specify the term and date).
